Accommodation

All rooms are ensuite, giving comfort to all ages. Standard rooms are fitted with bath and shower facilities, we also have a number of accessible rooms with wet rooms. We know how difficult it can be to get a group to sleep, that's why our rooms don't sleep more than eight people – often there will be less.

Dining

The centre has a large dining hall so the whole group can sit together for meal times. For breakfast; a cooked breakfast, cereals, toast and fruit juice. For lunch and dinner; two courses that are accompanied by our varied salad bar. As this is the first residential for Year 4, we have upgraded the menu to allow children more choice.
