

Art: 3 points

A Canopic jar was used by Ancient Egyptians to protect vital organs to take in to the afterlife. Follow this link for more information:

<http://www.primaryhomeworkhelp.co.uk/egypt/canopic.htm>

Design a new head and Canopic jar for a new organ of the body.
(You do not need to make this, just a design is fine!)

Maths: 5 points

Design your own place value board game! You could focus on

- The value of digits.
- Comparing and ordering numbers.
- Representing numbers in different ways.
- Finding more than and less than a number.

Create your own rules and send in pictures of you playing the game for evidence.

Prompt - Think of the games we have played in lesson!

English: 3 points

Create a poster defining what each of the following word classes mean and give some examples:

Adjective

Noun

Verb

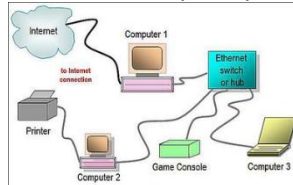

Adverb

Conjunction

Computing: 2 points

This term we will be looking at networks and the internet.

Create a network map for your home?

A bonus point for using ICT to create the poster.

TAKE 15 HOMEWORK

Year 3 Autumn 1

Complete activities to collect 15 points

Tasks to be returned by

Friday 20th October

Please put your name on all of your completed tasks.

Topic: 5 points

Create a 3D model of the River Nile and label the key features of the river (e.g mouth, delta etc)

English: 4 points

Write an alternative (different) end to your favourite story. Think carefully about your use of vocabulary; try to use a thesaurus to make it even better.

Science: 5 points

This half term, we are focusing on healthy eating.

Can you create a 2-course dinner that is varied and healthy? **Bring pictures in as evidence!**

Maths: 3 points

Use a piece of string or tape to make a number line. Then make 3-digit numbers using natural objects. Once you have done this place them in the correct order on the number line.
